What did you like best about the meeting?

People in the room

Ideas/variety of people participating.
Mix of people.
The folks that came and their trust in you!
Friendly, informal, neighborly, intelligent.
Listening to people in the group.
Small group.
Opportunity to meet in small groups.

What we addressed:

Excellent, given limited time and huge subject!
That we are really working on something.
Opportunity to walk through what is here.

Organization of material.

Well-organized.
Orderly and almost on-time.
Great handouts!

How could the meeting have been improved?

More time:

More time.
Meeting was OK, but limited time and not strategically used as well as I hoped.
The meeting started late.
A bit more time.
Only more time to talk. I know this is hard.
More frequent meetings.
Do some of this work via e-mail.

Diversity:

Keep working on more diversity.
African-American, youth and Asian-American could have been better represented.

What other feedback or suggestions about the meeting would you like to give?

Indicators:

This is not a through set of indicators, but is diverse.
I am willing to support the indicator process, though I cannot be directly involved.

Focus:

The discussion lacked focus when discussing the vision.

Location:

Great location! Excellent space in community-friendly setting.

Follow-up:

Get list of participants' names, organizational affiliations, contact information.

Participants:

22 people participated in Roundtable, including 2 project coordinators. Two others brought comments but could not attend. 14 of the 20 participants returned evaluation forms (70%).
